* Please provide the email which you have used for online user registration on the portal.

Please provide the **title of the initial project at the time of enrolment. You may of course initiate multiple projects, about which you will be required to inform us as and when you initiate a new project. Obviously, you also need to inform us when you close the project along with the **closure date**. You may put a tentative date but until you send an email and declare the project closed, we shall not take any notice or action. (See SOP for closing project and action).The closure date is to be sent to the owner of the portal. **Default is October 2016.**

[#]Initially, by default, sufficient space will be allotted to you on the portal. You may request us for increasing the space, will be provided ,if available.

⁺ All projects may be declared as either “Published” or “Unpublished” (See definition in SOP). Most often they start as Unpublished and later may be allowed to be published.

Declaration

I have read and am satisfied with the administrative policies (SOP v2.0) and data security and copyright protection policies of the CCPM platform. I have understood my privileges and responsibilities as a Project PI, as provisioned therein and hereby agree to deposit my experimental data in the CCPM portal.
